

Thanks to the support of our volunteers, donors, and funders in 2022 we were able to achieve the following highlights

We supported with:

- 2380 visits and calls to our offices
- 533 befriending calls
- 44 home visits
- 14,621 visits to our website
- 10,283 reach on social media

We had:

- 279 people attend a coffee morning
- 109 people attend a social trip
- 369 attend an online social group

"You've been wonderful, you've kept me alive. I have been indoors for years, now I'm coming out and have come alive again."

Our Support 4 Employment service saw:

- 29 new clients join the programme
- 19 people start a new job
- 6 people retain their existing job
- National recognition as winners of the Visionary Connect Award

We launched our Support 4 Technology service:

"OH Wow! thank you so much for your help. Not only showing me how to use my new iPhone but showing me all the apps. There is so much to learn but thank you for being patient with me. I know where you are if I need you"

Our Autumn 2022 survey showed that:

- 89% of respondents said the services they receive from us are Excellent or Very Good
- 68% of respondents said our interventions made a 'big difference' to them

All our services are measured against 5 outcomes

- The biggest impact was in Social Inclusion where 80% of respondents said our interventions made a 'big difference'.
- This was followed by Emotional Wellbeing (71%), 'Understanding my eye condition' (70%), Financial Wellbeing (65%) and Independence (55%)

We hope to build even further on this with your continued support.
